

Name: **Nathalie Feiner** Address: Sölvegatan 37, 22362 Lund
 Telephone: +46 222 38 17 Email: nathalie.feiner@biol.lu.se

-26 peer-reviewed publications, including one in *Nature* and one in *PNAS*
 -2 single-author publications in high-profile journals (*Proc R Soc B* and *Evolution Letters*)
 -17 first author publications, including in *eLife*, *Nature Communications* and *American Naturalist*
 -H-index 11 based on 879 citations (as of 27/05/2021)

- **Education**

2013 PhD in Biology, Konstanz University, DE; Supervisor: Prof. Axel Meyer
 2009 Diploma in Biology, Konstanz University, DE; Supervisor: Dr Shigehiro Kuraku

- **Employment**

since 2017 Researcher, Department of Biology, Lund University, SE

- **Qualification for readership or equivalent**

since 2021 Docent (reader)

- **Current funding**

2020 ERC Starting Grant (1 500 000 EUR)
 2020 Establishment Grant Swedish Research Council (400 000 EUR)
 2020 Research grant from the Crafoord Foundation (15 000 EUR)
 2019 Research grant from the Crafoord Foundation (44 000 EUR)

- **Postdoc stays**

2015 – 2017 Wenner-Gren Postdoctoral Researcher, Lund University, SE
 Host: Prof. Tobias Uller
 2013 – 2015 Humboldt Postdoctoral Fellow, University of Oxford, UK
 Host: Prof. Peter Holland

- **Visits abroad for research or teaching**

2018 1-month research stay at the University of Florida, US
 2012 2-month research stay at the RIKEN CDB, JP

- **Additional grants**

2017 Research grant from the Royal Physiographic Society of Lund (14 000 EUR)
 2015 Research grant from the Royal Physiographic Society of Lund (19 000 EUR)
 2015 Sponsorship from the Genetics Society and the John Wilfred Jenkinson Fund for the ‘Reptile Evo-Devo’ meeting (total 2 000 EUR)
 2015 NERC NBAF pilot grant (7 800 EUR)
 2014 Research grant John Fell Fund (9 400 EUR)
 2013 Research grant Elizabeth Jenkinson Trust Fund (4 000 EUR)
 2013 Travel grant for the symposium ‘The making of a vertebrate’, Kobe, JP

- **Prizes, fellowships and awards**

2015 – 2017 Wenner-Gren Postdoctoral Fellowship (72 000 EUR)
 2013 – 2015 Humboldt Postdoctoral Fellowship (60 000 EUR)
 2013 DAAD Postdoctoral Fellowship (declined in favour of Humboldt Fellowship)

2010 – 2013 Member of the Max-Planck Research School for Organismal Biology
 2011 Award for the paper of the year from the Max-Planck Research School
 2009 Award of the University of Konstanz for graduation among top 5% of the class

- **Pedagogical training**

2019 Completion of the course ‘Teaching and learning in higher education’
 2019 Completion of the course for prospective docents

- **Teaching and course development**

since 2016 Lecturer in the Master course ‘Molecular Genetics’, Lund University, SE
 2015 Tutor in ‘Evolution’, University of Oxford, UK
 2014 – 2015 Lecturer and sole organiser of the practical elements of ‘Organismal Biology’ for 1st year students, University of Oxford, UK
 2013 Lecturer in the 1st year course ‘Zoology’, Konstanz University, DE
 2008 – 2011 Teaching assistant in ‘Evolution’ and ‘Anatomy’, Konstanz University, DE

- **Supervision**

2019 Opponent, PhD defence at the University of Barcelona, ES
 since 2017 Co-supervision of two Postdocs
 since 2012 Supervision of one Bachelor and four Master students
 since 2017 Opponent of five Master thesis

- **Review and editorial assignments**

since 2014 Reviewer for >10 international journals, including *Nature Ecology & Evolution*, *Molecular Biology & Evolution* and the *American Naturalist*

- **Organisation of scientific meetings**

2020 Symposium at the EuroEvoDevo meeting, SE, 500 participants (postponed)
 2019 Tague-Erlander Symposium, ‘Evolution on Repeat’, SE, 120 participants
 2018 Seminar series ‘Foundational problems in evolutionary biology’ at Lund University, 100 participants
 2016 Symposium at the EuroEvoDevo meeting, SE, 500 participants
 2015 Symposium at the World Congress of Herpetology, CN, 1000 participants
 2015 Reptile Evo-Devo, UK, 50 participants (sole organizer)

- **Institutional responsibilities**

since 2019 Head of the ‘Scientific Activity Group’ at Lund University
 since 2017 Main organizer of the Biology Departmental Seminar Series at Lund University

- **Invited workshop participations and seminars**

2020 ‘Agency in living systems’ workshop, Indiana University, US (postponed)
 2019 ‘Darwin symposium’ at the University of Oxford, UK
 2018 ‘Developmental Bias and Evolution’ at the Santa Fe Institute, US
 2017 ‘Cause and process in Evolution’ at the KLI in Vienna, AT
 2016 ‘Evolving Plasticity in Natural and Artificial Systems’, Bielefeld, DE,
 since 2013 >10 invited seminars at international institutions, including University of Cambridge (UK), University of Sheffield (UK) and University of Tasmania (AU)
